## Labor Day

The true meaning of Labor Day remembers those who have given their time, best efforts and worked hard in their lives for this blessed country. Happy Labor Day!

## Autumn Blessings

Autumn brings to soul relief, as hot summer days slip to an end. God sent the season for weary hearts to restore, repair and mend. Unlike the Autumn trees, that shed their changing leaves,

God sent the season for failing hearts to adhere, embrace and cleave. Just as with the Autumn winds, there comes a new refreshing rain. God sent the season for fraying hearts to increase, grow and gain. The Autumn sun is slow to climb and dips much earlier in the

night. God sent the season for sleepy hearts to rise, shine and unwind in His light. God gave Autumn season, so we could have a respite and rest – for it is the season for our beset souls to see how much we are blessed!
